### **China Metro-Rural Holdings Limited Announces Distribution of an Information Statement in connection with Privatization**

NEW YORK, (MARKETWIRE) – July 29, 2016 – China Metro-Rural Holdings Limited (NYSEMKT: CNR) is pleased to announce that the distribution of an Information Statement commenced on July 29, 2016 to shareholders of record as of the close of trading on July 27, 2016 in connection with the Company's previously announced going-private transaction or privatization. Shareholders are encouraged to review this Information Statement in detail as it contains important information about the privatization.

The Company intends to effectuate the privatization through a merger with an indirect wholly owned subsidiary. Upon the terms and subject to the conditions set forth in a certain Agreement and Plan of Merger, as amended, holders of the Company's ordinary shares—other than certain specified affiliates, certain other holders and holders who properly perfect applicable dissenters' rights—will receive an amount equal to US\$1.03 per share in cash, without interest, as a result of the merger. Cashed-out shareholders will not have any equity interests in the Company going forward and will not participate in the governance and in the future prospects, growth or risk of loss, and earnings or losses of the Company.

No sooner than 20 calendar days from today, the Company expects certain shareholders who hold approximately 52.8% of the total combined voting power of the Company to take action by written consent approving the Agreement and Plan of Merger, the merger and the privatization. Shortly after execution of this written consent and subject to the satisfaction of the conditions set forth in the Agreement and Plan of Merger, the Company expects to close the merger and effect the privatization.

Details concerning the privatization are provided in filings made by the Company with the U.S. Securities and Exchange Commission, including a Transaction Statement on Schedule 13E-3, and are also included in the Information Statement.
