

## **China Metro-Rural Holdings Limited**

FOR IMMEDIATE RELEASE

### **CNR Sets Date for 2011 Interim Results Announcement**

NEW YORK, (MARKETWIRE) - October 20, 2011- China Metro-Rural Holdings Limited (the "Company") announces that it expects to file its interim results for the six months ended September 30, 2011 on Monday, November 28, 2011 after the market closes.

With a global recession touted as being around the corner and China's monetary tightening hampering the Chinese economy, our management is working hard in delivering results. Increasing shareholder value is, and has always been, our number one goal and what we strive to deliver. The 2011 interim results will give investors more insights to our business and our operations" stated Arthur Lee, CFO of the Company.

China Metro-Rural Holdings Limited is a leading agricultural logistics platform development and rural-urban migration redevelopment company in China.

#### ***Forward-Looking Statements***

*This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, which are, by their nature, subject to risks and uncertainties. This Act provides a "safe harbor" for forward-looking statements to encourage companies to provide prospective information about themselves so long as they identify these statements as forward-looking and provide meaningful cautionary statements identifying important factors that could cause actual results to differ from the projected results. All statements, including statements regarding industry prospects and future results of operations or financial position, made in this press release are forward looking.*

*Words such as “continue”, “consider”, “probably”, “will”, “strive” and similar expressions may identify forward-looking statements. These forward-looking statements include, without limitation, statements relating to: the Company’s future performance, the Company’s expansion efforts, the state of economic conditions, the Company’s market and the governmental policy. These forward-looking statements are based on assumptions and analyses made by the Company in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors the Company believes to be appropriate in particular circumstances. However, whether actual results and developments will meet the Company’s expectations and predictions depends on a number of known and unknown risks and uncertainties and other factors, any or all of which could cause actual results, performance or achievements to differ materially from the Company’s expectations, whether expressed or implied by such forward-looking statements.*
